CoQ10 TONER

"HYDRATING AND SKIN PH BALANCER"

This CoQ10 toner is scientifically formulated with nourishing blend of natural botanical extracts (chamomille, Sage, Papaya, cucumber, citrus orange aurentium extract), Aloe Vera and Hyaluronic Acid.

It delivers cell invigorating CoQ10 coenzymes deep into the cells with powerful antioxidant protection. Helps provide a natural and healthy pH balance for the skin. It leaves skin soft, refreshed and ready to absorb maximum benefits from your serum and moisturizer.

4 fL.oz. / 120ml \$38.00

benefits:

- A powerful antioxidant, nourishes and helps maintain a healthy natural pH balance.
- Delivers cell invigorating CoQ10 coenzymes deep into the cells via innovative nano particles.
- Helps decrease wrinkles and increase skin smoothness and appearance of skin
- Helps promote collagen and elastin.
- Helps increase the energy production of cells.
- Rejuvenates and moisturizes skin

direction: daily application

- After cleansing, saturate cotton ball with Co-Q-10 Toner.
- Apply to face in a circular motion. Avoid eye area.
- For best results, follow with a serum and moisturizer to replenish moisture.

ingredients and benefits:

Purified Water (Aqua), Aloe Barbadensis Leaf Extract, Ubiquinone (Coenzyme Q-10), Hyaluronic Acid, Anthemus Nobilis (Chamomile) Extract, Salvia Officinalis (Sage) Extract, Papaya Fruit Extract, Cucumis Sativus (Cucumber) Extract, Citrus Aurantium (orange extract)

- Co-Q10 also known as Ubiquinone or Coenzyme Q—is an enzyme that's produced naturally in the body, found in every cell and tissue. It helps produce energy, neutralizes free radicals and keep cells in both skin and body healthy. Penetrates deeply to produce collagen and elastin. Makes skin appear younger.
- A Hyaluronic Acid : Traps and retain Moisture for skin suppleness.
- Aloe Vera, chamomile, cucumber, sage, papaya, orange aurentium extracts.
- Natural botanical extracts that nourish skin.

Aloe is a skin conditioning agent and Aloin can block up to 30 percent of the ultraviolet rays when applied to the skin's surface

Chamomile Extract

Sage Extract

Chamomile and Sage extract promotes soothing and can reduce irritation on skin

Papaya extract improves skin firmness, cleans it and has antibacterial properties. It contains antioxidants that prevent skin ageing.

Hyaluronic Acid imbibes moisture from the surrounding air to retain it in the skin
