LUXURIOUS IN-HOME SPA REGIMEN

3 in 1 Facial Spa Cleanser

Invigorating and relaxing benefits of a spa from our 3-in1 Facial cleanser device. Washing the face by hand with cleansing cream or soap is unable to thoroughly clean the bacteria and cosmetic residue which would cause many skin problems such as oil, blackheads, acne, dark sores, dry skin, dark coarse pores. It is therefore, highly recommended to use this facial brush cleanser to achieve a clean, bacteria free skin.

Long Bristles is super delicate hair brush can penetrate into the deep and thus, it deeply clean pores, prevents black and white heads, prevent pores from becoming bigger, prevent acne and grease.

It best used for washing your face. Use it along with *Mirapelle's Strawberry Fruit Brightening Cleanser*. The bristles are so gentle to the face, you can even use it around the eyes to remove stubborn make up.

Short Bristles is a more dense, thin sharp hair brush which is best used when using a facial scrub. Use it along with our gentle exfoliating scrub, *Mirapelle's Amber Honey Facial Scrub*. It gently removes cuttin, dead skin cells and cosmetic.

Massage Rolling Balls is used to relieve skin and increase blood circulation. It is best used with *Mirapelle's Ultrapelle Super Hydrating Oil*. Using the massage ball with the precious oil also helps promote the skin's metabolism, makes skin cells more vigorous and increases skins elasticity.

STEPS TO AN EFFECTIVE IN-HOME-FACIAL SPA REGIMEN. *(RECOMMENDED 3 TIMES A WEEK)*

1. Cleanser - Strawberry Fruit Brightening Cleanser

Invigorating, aromatic and relaxing benefits of the spa from our cleanser! The awakening and energizing scent of strawberry oil is sure to captivate sense of smell for a revitalizing cleansing experience. It removes dirt, oil, and makeup, hydrates and soothes after cleansing, softens skin texture after consistent use, protects the skin from damage caused by environmental stressors.

- Wash your face with our Strawberry Fruit Brightening Cleanser, ideally using the Mirapelle'S 3 in 1 Facial Brush Cleanser. Use the longer bristles for cleansing using circular and upward motion. Use it for about 5 minutes. Wash off the Strawberry Fruit Brightening Cleanser with lukewarm water or warm wash cloth. Pat dry your face with a clean washcloth.

2. Scrub - Amber Honey Facial Scrub

A gentle exfoliating scrub that uses Amber granules with a pine resin scent that complements Honey and Vanilla. A must product to use weekly to get rid of dead skin and allows deep penetration of all the skin products you use.

- Dispense a small amount into palm of hand, add a few drops of water and apply to face in a circular motion OR preferably, use Mirapelle's 3 in 1 Facial Cleansing short bristle brush. Rinse off with plenty of water, then pat dry.

3. Massage Face - Ultrapelle Super Hydrating Precious Oil *(Optional, every other facial)*

Is our Powerful Super Serum! It contains a full range of Omega 3, 6, and 9, Proteins and antioxidants. It is a silky precious blend of 13 ultra rich, luxurious oils that provide the skin super hydrating and rejuvenating benefits.

Immediate results are noticeable, lines are smoothed, the skin is intensely nourished, moisturized, supple and soft. After 4 weeks, wrinkles and fine lines are visibly reduced. The skin regains its fullness and is toned and revitalized.

- Use Ultrapelle Super Hydrating Precious Oil every other facial particularly when your skin is extremely dehydrated. Use 3-5 drops of Ultrapelle Oil directly on your face and spread it evenly all over your neck and face. Use the 3-in-1 Facial Cleanser's Massaging Ball for about 5 minutes.

4. Triple Treat - EMS + RF + LED Beauty Device *(Ideal to use 3 times a week)*

The 3 combination covers all of the aspects of facial rejuvenation. Micro current, LED Light Therapy and Radio Frequency (RF) therapy are 3 non-surgical skin spa treatments that promote skin rejuvenation, tightens skin, reduces pores, reduces fine lines and fights the signs of aging. A very effective and quick treatment with virtually no recovery time.

- Use any of your preferred serum as your conductor when using Triple Treat Beauty Device. Apply the serum on your entire face and neck. Follow the guidelines from the device user's manual for your desired strength, level, length of treatment and color of LED Photon light. After the treatment, do not wash or wipe your face. Let the serum totally penetrate in your skin.

**** During treatment, when serum starts to dry up, just spray distilled or mineral water on the face and neck, continue with until treatment reached desired length of treatment is achieved.*

- **Conductor** - You can use any of the serum you are already using as your conductor when using the device. This will further deepen the penetration of the serum and thus increases its efficacy.
