

RETINOL AGE RECOVERY CREAM

“REJUVENATE WHILE YOU SLEEP”

Retinol Age Recovery Cream is a night treatment cream formulated with 3% Retinol Palmitate, a gentler form of retinol from Palm oil, Jojoba seed oil, Apricot oil, Vitamin E, Hyaluronic Acid, Squalane, Polysaccharides and Lipids.

As we get older, our skin struggles to preserve the cell replacement cycle and cell division decelerates. Retinol Age Recovery Cream enhances the skin's cellular recovery process while you sleep. Helps in skin revitalization and rejuvenation. Stimulates the production of collagen increasing elasticity. Delivers skin nourishing nutrients and collagen boosting Vitamin A. Helps with the healthy regeneration of skin cells.

It is the number one dermatologist-recommended ingredient for aging and UV-damaged skin for softening wrinkles and skin tone corrector.

1.0 oz. / 30 ml. \$ 65.00

benefits:

- Stimulates the production of collagen increasing elasticity.
- Delivers skin nourishing nutrients and collagen boosting Vitamin A.
- Helps with the healthy regeneration of skin cells and hyperpigmentation.
- Fades age spots and evens skin tone, increasing skin's luminosity

direction: daily application

- After cleaning face in the evening, apply a thin layer of Retinol Age Recovery Cream after applying Vitamin C-Complex Serum or Hyaluronic acid serum.
- Warning: Do not mix retinol with AHA, they reactivate each other.
- Use Sunscreen, apply generously to face and neck morning and night
- Followed by your favorite moisturizer.

ingredients and benefits:

Concentrated 3 % retinol from Palm Oil Simmondsia Chinensis (Jojoba) Seed Oil, Prunus Armeniaca (Apricot) Kernel Oil, Squalane from olive oil, Alpha Tocopherol (Vitamin E) Hyaluronic Acid, Phospholipids, and Glycolipids.

- Retinol is the top standard ingredient in reversing the signs of skin aging. It is packed with anti-aging benefits and has the power to help stimulate skin's production of new cells. It also helps to fade dark spots resulting from photo-aging, hyperpigmentation, hormonal changes, and blemish scars, reduces appearance of fine lines, and helps with skin discoloration for firmer, smoother and more evenly toned-skin.
- Vitamin E oil works to block free radicals from the body, which play a large part in the aging process. Fighting off free radicals helps reduce wrinkles and keep the skin youthful-looking .
- Vitamin E oil works to block free radicals from the body, which play a large part in the aging process. Fighting off free radicals helps reduce wrinkles and keep the skin youthful-looking.
- Jojoba oil is non-comedogenic, which means that it doesn't clog pores. Jojoba oil works as a protectant and cleanser. The antioxidants present in jojoba oil soothe fine lines, wrinkles and naturally slow down other signs of aging.
- Hyaluronic Acid, also known as Hyaluronan, greatly contributes to tissue hydrodynamics and the proliferation of skin cells. It naturally absorbs water molecules from the surrounding atmosphere, which improves the moisturization of the skin and resilience of skin tissue.

Manufactured for Mirapelle, Made in U.S.A.

Retinyl is the ester of Retinol (Vitamin A) and it is combined with Palmitic Acid, a major component of palm oil, easily absorbed by the skin and once it is there is converted into Retinol

Vitamin E is also a powerful antioxidant and has shown to help with dryness

Apricot Kernel Oil helps get rid of dark circles

Apricot Kernel Oil helps get rid of dark circles

Hyaluronic Acid imbibes moisture from the surrounding air to retain it in the skin
